Pedro Tavarez

Full Stack Web Developer

A coder looking to make waves in the tech scene!

✉ ptavarez16@gmail.com   📱 (978) 239-8497   📍 Boston, Massachusetts   🌐 pedrotavarez.com/

TECHNICAL SKILLS

HTML 5   CSS   Sass   JavaScript   Ruby   Ruby on Rails   jQuery   MongoDB   SQL   Node.JS   Handlebars   AJAX   Git   Ember   React   NodeJS

EDUCATION

Bachelor of Science
University of Massachusetts Lowell

09/2013 – 05/2018   *Lowell, Massachusetts*

Degree
- Major: Criminology and Justice Studies
- Concentration: Information and Technology
- Minor: Business Administration

EXPERIENCE

Web Development Immersive
General Assembly

01/2018 – 04/2018   *Boston, Massachusetts*

Completed 480+ hours of coding in a 12-week Web Development Immersive program. This led to attaining key skills to build interactive web applications.

Projects:
- Tic-Tac-Dro: A functional tic-tac-toe game that requires players to create an account. Players are able to start a new game, keep track of games, change their password, and sign out of the application. Technologies used include: JS, AJAX, HTML, Sass, jQuery, and Bootstrap. ⧉
- Rank It Up: An application that allows users to create players and rank them by their number of wins. Technologies used include: JS, Ruby on Rails, SQL, Bootstrap, and jQuery. ⧉
- Raindrop: An e-commerce web application that "sells" a variety of products. Users can browse a variety of products across a range of categories including: electronics, clothing, entertainment and more! This whole project was made by a small team of 3. Technologies used include: ExpressJS, NodeJS, MongoDB, Mongoose, and Stripe. ⧉
- Auxilio: An on demand application that connects customers to independent contractors who provide assistance. Technologies used include: Ruby on Rails, Ember, JS, and Bootstrap. ⧉

Marketing, Outreach, and IT Associate
Merrimack Valley Housing Partnership

01/2016 – 01/2018   *Lowell, Massachusetts*

Tasks
- IT support
- Desktop configuration
- Help the organization maintain and improve its social media presence
- Research and follow up with former program participants to determine their home buying status
